not the one like hunger games

By Naymliis

For everyone looking for the book Battle Royal that is similar to the Hunger Games, that book is a Japanese novel written by Koushun Takami.

Do not buy

By Mama Bear

This purchase was made thinking I wanted Battle Royale, not a written review. It was not clear in the amazon store that this was not the actual story, but only a review about another story. Very disappointing but rare for a purchase on Amazon.
