The difference is that you might not require relocate the book Coming Attractions: A Wonderful Novel By Fannie Flagg place to area. You could need only copy to the other gadgets.

COMING ATTRACTIONS: A WONDERFUL NOVEL BY FANNIE FLAGG PDF

In Fannie Flagg's high-spirited first novel, we meet Daisy Fay Harper in the spring of 1952, where she's "not doing much except sitting around waiting for the sixth grade." When she leaves Shell Beach, Mississippi, in September 1959, she is packed up and ready for the Miss America Pageant, vowing "I won't come back until I'm somebody." But in our hearts she already is. Sassy and irreverent from the get-go, Daisy Fay takes us on a rollicking journey through her formative years on the Gulf Coast of Mississippi. There, at The End of the Road of the South, the family malt shop freezer holds unspeakable things, society maven Mrs. Dot hosts Junior Debutante meetings and shares inspired thoughts for the week (such as "sincerity is as valuable as radium"), and Daisy Fay's Daddy hatches a quick-cash scheme that involves resurrecting his daughter from the dead in a carefully orchestrated miracle. Along the way, Daisy Fay does a lot of growing up, emerging as one of the most hilarious, appealing, and prized characters in modern fiction.

Same books.

By shirley keller

I purchased "Coming Attractions" and "Daisy Fay and the Miracle Man". When I received them both I found that they are the same book. Why wasn't this mentioned? I would not have purchased both of them if I had known. I don't appreciate the deception.

Review of Coming Attractions

By Annie Moulin

"Coming Attractions" by Fannie Flagg is one of the most brilliant pieces of work I have ever read. It is absolutely hilarious, and very touching. It is about growing up with a young girl, named Daisy Fay. From day one she is getting into trouble. Her mother is busy trying to cover up her and her husband's bad relationship, while all 'daddy' does is sit around and drink Pabst Blue Ribbon all day, so Daisy has plenty of time to sneak in strip bars, be a Jr. Debutante and find an albino. The novel is in the format of a diary from Daisy at the age of six until in her twenties. This is a book that I feel every woman should read, you'll see a

little bit of yourself in Daisy Fay! I believe the book is still in print, unfortunately, I don't know the name of the new novel.

21 of 22 people found the following review helpful.

I laughed so hard!

By Shelly Maas

I definitely recommend this book to both young and old. It will take you back to a time when life seemed innocent and interesting. I found myself laughing out loud in public and couldn't imagine someone not being touched by such a work of brilliance and humor. CHECK IT OUT! Women...especially encouraged. (Guys would like it too though)
