A Disappointment

By SabreSailor

I am a very big fan of the DK Eyewitness series. I have used them all over the world and think they are superb.

The Caribbean version was a disappointment. Perhaps it is that it is trying to cover such a large and diverse area, but I found so many sights totally missing.

DK Guides are The Best of All Guides

By Amazon Customer

As an experienced traveler of many world destinations, I love DK best of all travel guides as they give me great information on the culture and history of the places I go and highlight sites and locations I might otherwise miss. Other guides seem more full of touristy shopping tips; fine for those with little or no interest in the identity and background of a location. This guide was a great help in planning excursions, and when not to, from a cruise that went to 12 different islands.

Great Overall Caribbean Travel guide

By SuperflyCabral

Wonderful pictures and maps. I was looking for a travel book about Jamaica. DK Eyewitness Travel Guides have never let me down.....so instead of just Jamaica I decided to get this Caribbean guide. SO GLAD I DID. I now have plenty of other places on my list to travel to next! As far as the Jamaica portion in the book, I did get what I was looking for.
