The BEST Native American Style Flute resource around

By Jordi

'Enchanted Journeys' by Todd Chaplin is a comprehensive resource for learning the Native American Style Flute, consisting of an instruction book, accompanying DVD, and exclusive access to online learning media.

The instruction book is divided into beginning player and advancing player sections, with multiple chapters in each covering key topics such as finger positioning, scales, rhythm, embellishments, and improvisation to name a few. In addition the guide provides written music (Nakai Tablature) for a number of songs and even tips on how to create your own melodies. There are additional sections specific to the Drone flute and the Mayan temple flute. Throughout the book there are clear diagrams, colour pictures, and references to the accompanying DVD and online material.

Todd Chaplin's 'Enchanted Journeys' packs in a whole lot of information that just keeps giving. This is an extremely useful resource that is easy to follow, very informative, and wonderfully encouraging. I found the accompanying DVD particularly helpful; it's a bit like having a series of private lessons from Todd. I also enjoyed progressing through the various exercises using the Online Learning Media – it's added some structure and support to my practice. Every section offers ideas and options to facilitate further learning.

'Enchanted Journeys' is a beautifully presented and comprehensive resource ideal for beginning or advancing players of the Native American Style Flute. There are many hours of learning in this resource, and I thoroughly recommend it.

5 Star guide for Native American flutes

By Robert S Blanchard

Best instructions I have used for learning and playing Native American flutes [ALL kinds]. The only "disappointment" is that the DVD is not playable in USA DVRs but it will play in your computer and all instructions are available online with the password that Todd gives you in his book.

Fantastic Instruction book for Native American Style Flute

By Jenny G

Todd Chaplin has done a stellar job in producing Enchanted Journeys- The Essential Guide to Native American Style Flute". I highly recommend this book for anyone interested in playing Native American Style Flutes. Todd's book covers detailed instruction that includes how to hold the flute, simple scales and simple tunes through to advanced techniques and embellishments that will lift anyone's playing and covers instruction on playing with others as well as song structure. Instruction on how to maintain and care for your flute is also included.

Todd writes of how to blossom as a player and the art of improvisation among a wealth of information that is backed up by the accompanying DVD and Online Learning Media. All is which is easy to follow. Todd

includes instruction on how to play the Drone flute and Mayan Temple Flute.

This book has clear illustrations and beautiful photography. The spiral binding makes it easy to lie flat or to prop up on a music stand. The size of the book is convenient to carry around in a bag so this powerful resource can be at hand.

I have been playing the Native American Style Flute for 3 years and found myself stuck in familiar patterns. Through experimenting with the techniques in "Enchanted Journeys" I have discovered a new relationship with my flute and am looking forward to more exploration on the exciting journey
