Love it

By M.F.

This is a very small book but my 10 month old loves it. The title which is a recurring theme allows for it to be read in a high pitched voice which is what she likes. I'm a big Dr. Seus fan and love this mini book. I highly recommend it.

My son loves this book. He's memorized some of it and always laughs at certain parts. Would recommend as

an introduction to Spanish or an addition to any bilingual kids collection.
