Beyond Intriguing! Full of Scriptural & Balanced Teachings

By S. WOODS

In the Christian world, you find many authors who latch onto an un-scriptural "fad" and run with it, like a hurricane leaving bits of debris and confusion in their wake. This book does the complete opposite! It offerings a scriptural, practical guide, to get you above the "world's way of thinking", in finding victory through Christ.

Perry Stone brilliantly debunks the "fads" and holds up the Word of God to be our guide. This book is full of Scripture from cover to cover and incredible insights that will strengthen the walk of every believer. The author reveals great insight while keeping your fingers busy turning the pages to reveal the next powerful point to apply in your life. Wrapped in powerful testimony, hours of study and anointed insight, I highly

recommend, "Exposing Satan's Playbook", to be your next new book!

In these last days, we cannot afford to be ignorant of the devils devices! You need this book!!!

A good book...buy it

By Steve Olson

I have been teaching the bible for over 30 years. I believe we should never stop learning, that means you can always learn something from someone else. I gave this book only three stars for 2 reasons. First i did learn a few new insights. Most of it was very basic. Second there were several chapters where I think it was more of perry's theology made to fit into. The scriptures. That being said I still would encourage people to read this book.
