About the Author

Sy Montgomery is a naturalist, author, documentary scriptwriter, and radio commentator who writes for children as well as adults. Among her award-winning books are "The Good Good Pig, Journey of the Pink Dolphins", "Spell of the Tiger", and "Search for the Golden Moon Bear". She has made four trips to Peru and Brazil to study the pink dolphins of the Amazon; and on other expeditions, she was chased by an angry silverback gorilla in Zaire; bitten by a vampire bat in Costa Rica; undressed by an orangutan in Borneo; and hunted by a tiger in India. She also worked in a pit crawling with eighteen thousand snakes in Manitoba; handled a wild tarantula in French Guiana; and swum with piranhas, electric eels, and dolphins in the Amazon. Research for this book included travel to China and Mongolia to see the latest discoveries of giant bird fossils, and to Australia to see the most dangerous birds in the world. She lives in New Hampshire.

Raanan Lipshitz is Associate Professor of Psychology in the Department of Psychology, University of Haifa. He is Senior Editor, Organization Studies (SAGE). HOW PROFESSIONALS MAKE DECISIONS (EXPERTISE: RESEARCH AND APPLICATIONS SERIES) BY BERNDT BREHMER PDF

This volume is the fruit of the 5th conference on Naturalistic Decision Making which focused on the importance of studying people who have some degree of expertise in the domain in which they make decisions. The substantive concerns pertain to how individuals and groups make decisions in professional and organizational settings, and to develop suitable methods for studying these questions rigorously. This volume appeals to practitioners in business and government, as well as academics and students who are interested in naturalistic decision making.
