HOW TO CHANGE YOUR THINKING ABOUT SHAME: HAZELDEN QUICK GUIDES (A HAZELDEN QUICK GUIDE) BY LEADING HAZELDEN EXPERTS PDF

Apply practical strategies from the latest expert research to change the way you think and react to feelings of shame.

Do you (or does someone you know) have problems with shame? Perhaps you're suffering in silence because of an experience or feeling you have about yourself, or perhaps it's affecting your daily life and relationships. Shame is a common emotion, and is healthy at times, but when it keeps us from activities and people we once enjoyed, it's a powerfully damaging and painful feeling.

Using the research of experts in the field of emotional health, this book outlines a basic understanding of shame and offers healthy ways to process and change our thoughts, feelings, and behaviors to better deal with it. These strategies are based on Rational Emotive Behavioral Therapy (REBT), a widely used method of examining our own thoughts to challenge and change irrational beliefs.

In this book, you will

Understand the essence of shame and the difference between shame, guilt, humiliation, and embarrassment.

Discover the anatomy of shame and break it into its basic elements

Uncover your own sources of shame and how culture, childhood, and current relationships can all reinforce it

Discover how you experience shame through your own thoughts, feelings, and behaviors

Reclaim your life from shame by making conscious choices in your thinking, feeling, and acting.

About Hazelden Quick Guides

Hazelden Quick Guides are short, accessible e-books that draw on the original work and best practices of leading experts to help readers address common addiction recovery and emotional health issues. This first four-book collection applies the proven methods of Rational Emotive Behavior Therapy (REBT) to challenge and change the irrational thoughts and beliefs that contribute to the debilitating effects of shame, anger, depression, and anxiety.

very helpful

By skeenly

I love this series of Hazelden books - very concrete suggestions and ways of working with the material presented. I recommend this one on shame as well as the ones on anger, depression, and anxiety as well.

Piece of crap

By William E. Rawles

It was the most useless booklet I have ever purchased. Shame on you.
