HUMAN SEXUALITY: A PSYCHOSOCIAL PERSPECTIVE BY RUTH K. WESTHEIMER EDD, SANFORD LOPATER PHD PDF

The perfect combination of clinical experience and academic expertise, Westheimer and Lopater's Human Sexuality goes beyond traditional introductory sexuality resources by delivering all the classic content in a unique psychosocial context. Dr. Ruth's renowned experience as sex therapist and her appealing, reassuring nature make this an invaluable lifelong reference as well as an engaging textbook. New and revised content reflects important developments in topics such as gender, sexual identity, self-concept, and the psychosocial environment; sexual arousal and responsiveness; fertility and infertility; contraception; and treatment of sexually transmitted diseases and AIDS.

Older edition but good enough to be used as reference

By Parker Knight

This has little bit old information but good enough for learning it for first time use. It's got good illustration and information that's useful like how a human sexual organ, step-by-step arouses and engorges with blood on both genders, and shows which parts are called what and how it changes during sexual arousal. And body parts change position even in anticipation of seminal fluids from male ejaculation. That's all interesting and it further goes into the political and socialization.

Five Stars

By Amazon Customer

Awesome!

1 of 3 people found the following review helpful.

Good buy

By counselor14

I saved \$50 by purchasing this book on Amazon instead of the book store. It was new, still in its package.

Thanks!
