Simply page by page depending upon the time that you have to check out [Not For Glory: Book III Of The Black Douglas Trilogy - A Novel Of Scotland \(Volume 3\) By J. R. Tomlin](#)

NOT FOR GLORY: BOOK III OF THE BLACK DOUGLAS TRILOGY - A NOVEL OF SCOTLAND (VOLUME 3) BY J. R. TOMLIN PDF

James, Lord of Douglas, known to his foes as the Black Douglas, leads a flank of the Scottish army in crushing a vast invading English force at the waters of the Bannockburn. Fresh from battle, James revels in honors heaped on him by the Scots and in the hatred of the enemy. When King Robert the Bruce orders him to push their advantage and force the English to the peace table, they both know the only way James can do so is by fire and the sword--the only language King Edward of England understands.

very enjoyable

By Robb

I read the entire series...really enjoyed it...characters are rendered very likable and engaging... You can care about history...read and have fun!

3 of 3 people found the following review helpful.

Great series. I'm glad I read it.

By Love Me Some Fiction

This is a solid series and one I highly recommend, unless you dislike the gory details of battle. Don't get me wrong, I don't "enjoy" those details, but when I'm reading about a battle I do want it told real. These are.

What I loved most about this book, though, was that there was more "other stuff" in this one than the others. I got to see more of the kind of person Jamie was, and the interactions between him and others in situations other than war was a large part of that.

I would give this a solid 4 1/2 stars.

The Black Douglas meets his fate

By Shawn Marchinek

The third and final act of the life of Sir James Douglas is played out in "Not for Glory" by J.R. Tomlin. This is an excellent historical fiction account of the last years of a noble Knight and warrior. He died as he lived, on the battlefield not only with a sword in his hand but with the heart of the Bruce. Now that heart adorns

every Douglas coat of arms in recognition of his dedication to King and Country.

Not for Glory picks up the life the Black Douglas at the end of the Scottish victory at Bannockburn. From here Sir James, his friends and King have a brief opportunity at a little peace, and the potential of actually having Scotland recognized as a free Kingdom again. Marriages occur, children are born, and lands are distributed, but peace is not to be. Although Sir James has an heir, he finds himself in a loveless marriage. As Douglas does on the battlefield, he finds a way to avoid defeat. He finds love in one of the Queen's ladies in waiting, as well as picks up his sword to stand by King Robert the Bruce as they take on the Pope, the French, the English, as well as a treasonous attempt by some fellow Scottish lords to keep Scotland from being free.

Not for Glory has a few typos and incorrect words that plagued the previous two novels in the trilogy but outside a need for more editing this book meets the mark.

Tomlin continues to capture the emotion and essence that very well could have been Sir James. He battles in love, family, government, and war. The battlefield scenes are real, the feelings vivid, and action real. The story ends with Sir James death in life as well as his birth into infamous immortality.

I encourage members of the Clan Douglas, historical novel readers, Scottish history buffs, and people who just love a good action book with real emotion and believable characters to read not only this book but also the whole trilogy. Sir James Douglas comes to life in all his flaws, struggles, victories, and glory.
