About the Author

Dr Michael Dolby is a highly skilled dentist, dynamic speaker, and a proven dental business growth coach. During his 20+ years of clinical practice, Dr. Dolby was honored to be a featured instructor at the Pacific Aesthetic Continuum "PacLive" where he taught dentists the most effective practice management strategies to remove stress and increase profitability in their private practice. He even shared the stage with TV personality Dr. Phil as a guest speaker at Discus Dental's Las Vegas Extravaganza! Dr. Dolby partnered up with the self-improvement expert Tony Robbins and became a practice management coach specifically for dentists. He received his dental degree from the University of the Pacific, School of Dentistry in San Francisco, California graduating with High Honors and in 1998 Dr Dolby was honored by the Academy of General Dentistry with the title of "Fellowship". In Practice Made Perfect, he specifically addresses the biggest hurdle faced by most dentists and that is managing their business. Applying his three pillars of Foundation, Systems and Leadership, every practice can find massive success!

Practice made perfect

By Jim Austin

Good general overview of ways to build a stronger practice. He mentioned a number of times the importance of building systems and tracking performance but he never went into what systems he used to do so for the most part. This was an area of disappointment for me.

By Robert

This book serves as an excellent resource for those dentists who take pride in their dental office and want to improve their business model. Like most dentists I was never taught the business aspect of running a dental practice. However, after reading Dr. Mike Dolby's book I would encourage anyone who wants to improve their practice, and their quality of life to read this book.

Thank you Dr. Dolby for addressing so many pertinent issues as they relate to the economics of our profession.

Excellent Book! A must read!

By Amazon Customer

As a newly graduated dentist, Dr. Michael Dolby's book Practice Made Perfect is a huge help for me. There are several aspects of the book that I found incredibly helpful in practice. I would highly recommend this book to any dentist as it was an easy to read book that I will continue to reread and follow over the course of my career.
