PRIDE AND PREJUDICE AND ZOMBIES: DREADFULLY EVER AFTER (PRIDE AND PREJ. AND ZOMBIES) BY STEVE HOCKENSMITH PDF

When we last saw Elizabeth Bennet and Fitzwilliam Darcy—at the end of the New York Times best seller *Pride and Prejudice and Zombies*—they were preparing for a lifetime of wedded bliss. Yet the honeymoon has barely begun when poor Mr. Darcy is nipped by a rampaging dreadful. Elizabeth knows the only acceptable course of action is to promptly behead her husband (and then burn the corpse, just to be safe). But when she learns of a miracle antidote being developed in London, she realizes there may be one last chance to save her true love—and for everyone to live happily ever after.

Complete with romance, heartbreak, martial arts, cannibalism, and an army of shambling corpses, *Dreadfully Ever After* brings the story of *Pride and Prejudice and Zombies* to a thrilling conclusion.

WHAT A GREAT TRYLOGY

By fmwaalex

Pride and Prejudice and Zombies: Dreadfully Ever After (Quirk Classics)

As any reader of my reviews knows I love the "Pride & Prejudice & Zombies" series of books. I believe that the two books before this one are classics and I am pleased to tell you that this one is very much the same. I always loved the idea of the classic story being told with Zombies in the mix and the prequel just added to it. Now here we have a sequel that only adds to the wonderful story but sadly is bringing it to an end. Hopefully the return to this world one day and give us some more great stories.

The story picks up years after the first book with the married couple of Elizabeth and Fitzwilliam Darcy. They have had a great marriage some four years later and things could not be going better, until. One day Fitz gets attacked and bitten by a Dreadful child and while Liz knows what she should do she does not kill him. Even though it would be the right thing to do, she instead seeks help from a lady named Catherine. The thing is she may know of a cure that could bring Fritz back. So off Liz goes with family in tact on another Zombie Slaughtering adventure.

The book is very well written and has that same great style the previous ones had and yet still is different. I don't know about what other people think but I found this one just as fun and funny as the previous two. I mean the way people really talked back then mixed in with the zombie attack, pure genius. You should also remember that things are not always what they seem, that is all I am going to say. All in all I really enjoyed this book like I did the previous two, I highly recommend this book to all who liked the first two, and even then you may like this even without reading those two.

Is there a cure for the English Tea-Virus???

By Daniel W. Kelly

The author of *Pride & Prejudice & Zombies* takes the original Jane Austen characters and gives them a future and a new reality...a reality that bites. Not having to insert zombies into existing material, he's free to create his own story--with some classic 'zombie lore' in place, such as the common conflict of... 'what would I do if someone I loved turned into a zombie?' Luckily, there's another common zombie plot device... A possible cure! But zombies aren't the only problem. This could become an apocalyptic battle between the bourgeois and the elite!

Which is what makes this novel somewhat timely. With the recent royal wedding raising questions about the purpose and importance of a monarchy, *Dreadfully Ever After* touches upon many of these sore and festering subjects...albeit in an undead context. This is really how you could imagine Romero doing it if he used his flair for zombie satire to create a social commentary on the past instead of the future. Expect a whole lot of zombie slaughtering fun, as well as revenge, romance, humor, gore...and proper etiquette.

Another Chance With Mr. Darcy

By Yary

Pride and Prejudice is very dear to my heart and this book is my next favorite. I really enjoyed this book. Loved that there was so much action through out the book. I was heart broken after what happen to my lover boy Mr.Darcy but love and family are always there too support. I loved this book because of the action and that women fought just like men. They were trained zombie killers, utterly cool. It had a great plot and was written very well. I was happy with the action pack ending. Couldn't stand Anne she got what she deserved and her mother. Book turned out in my favor the bad guys got what they deserve and my Darcy still survived. If you are looking for a book that will keep you at the end of your seat you want to pick this book up.
