Unlock a world of investment opportunities and take control of your retirement future with the Checkbook IRA. The financial industry wants you to think you're limited to stocks, mutual funds, and other such instruments offered by the big institutions, but the truth is, there's a whole world of possible alternative investments—from real estate to precious metals, from private equity funds to tax liens—and with a Checkbook IRA, you can take charge of growing your own wealth, invest in what you know, and understand all from the comfort of a local bank account.

The Checkbook IRA, written by tax attorney Adam Bergman, reads like an easy-to-understand conversation between a lawyer and his client, addressing the most popular issues facing a self-directed IRA investor, with a special focus on the Checkbook IRA.

This comprehensive guide covers everything—from the basic principles of a self-directed IRA to the complexities of retirement tax issues. As you learn how to grow your wealth faster and more securely by diversifying your investments among both traditional and alternative options, you'll quickly realize just how easy and rewarding it is to be the one in charge of your future.

A Recommendation to All

By Chris Sweeney

Very good book. It does an excellent job of presenting alternatives to investing that most financial institutions will never share. Understanding one's options is valuable. I recommend it to everyone interested in saving for retirement.
