AMANDA JOY IN OUR LIVES

By Earl A. Blakley

I was taken by the subject and how it impacts the people in my life. One draw-back: the binding of the book was very poor.

I had to take it to an INSTANTI- PRINT SHOP and have them redo the binding. They did so very easily by using a spiral binding

which in turn made GOSPEL OF JOY much more usable.

Great for woman's book study

By Nancy

We're doing a year-long book study using this book. The first chapter on gratitude really inspired a lot of

discussion and emotion. She's an amazing presenter (check out her YouTube videos) and our group really likes the book.
