THE INDIAN WAY: AN INTRODUCTION TO THE PHILOSOPHIES & RELIGIONS OF INDIA BY JOHN M KOLLER PDF

There is no other book that explains both the philosophies and religions of India in their full historical development. The Indian Way is accessible to beginning students, and does justice to the Indian tradition's richness of religious and philosophical thought. Clear and powerful explanations of yajna and dharma, and appealing, intimate descriptions of Krishna, Kali, and Shiva allow students to read some of the great Indian texts for themselves.

Most helpful customer reviews

1 of 9 people found the following review helpful.

Koller

By Parker

Why is this book so expensive?? Definitely not worth all that money just because its printed on some different type of paper. I was not too happy about the price, but the book itself was a good read. Required for school, but I will probably keep it around for future references. At the end of each chapter he includes a list of related texts that are very helpful. Get it if you can afford it.
