THE IRON ANGEL BY DAVID FULMER PDF

The siren call of Storyville...

New Orleans, 1914. No one cares much when a street whore is the victim of a bloody murder. Nor when a woman in a crib on the dirty back end of the red light district is found slain. But then a third ravaged body turns up in a house along one of the better streets, and an ailing Tom Anderson, the "King of Storyville," reaches out to Creole detective Valentin St. Cyr, who has left the scarlet streets behind. Against his own instincts and his wife Justine's wishes, Valentin heads back onto his old turf and into the investigation that propels *The Iron Angel*, the fifth novel in the award-winning series by David Fulmer.

We want more

By Arthur A. Van Hecke

I was glad to see David Fulmer has continued on with the St. Cyr mysteries and I am hoping for more. The plot and characters of the book neatly dovetail with the legendary Storyville district of early 20th century New Orleans. While reading the other St. Cyr mysteries is a nice background, they are not really necessary to thoroughly enjoy this book; the historical information and character developments in the prior novels are extremely interesting however and are highly recommended. David Fulmer is an excellent historical novelist and has done painstaking research to fully develop the the characters in this series; his books are a joy to read. The events of this book leave us at a point where the author could stop this series, but he could also continue. I sincerely hope he continues.

David Fulmer is a wonderful writer; I have read all the Valentin/Storyville books

By Susan Bishop

David Fulmer is a wonderful writer; I have read all the Valentin/Storyville books, and was pleased he finally wrote a new one. I am going to read again this series as I finished them some years ago.

A must-read for noir fans, drifters, and dreamers everywhere.

By Stephanie Roman

Just finished reading *The Iron Angel*. David Fulmer? skillfully weaves together three perspectives on this journey of suspense, madness, and revenge. The Storyville characters we know and love are back with new motivations and higher stakes. In a city where nothing is permanent--power, loyalty, even the land itself--they must find their own way to adapt or die. With the power that compels St. Cyr to return to the streets of Storyville, this book has brought back my favorite memories of old New Orleans.
