THE LOTTERY: A NOVEL (THE CHRISTMAS COOKIE CLUB) (VOLUME 3) BY ANN PEARLMAN PDF

What happens when seven members of a cookie exchange suddenly win the mega millions? Now, in the midst of the worst economic downturn in three quarters of a century, The Lottery turns Pearlman's unflinching eye on class and security, arrogance and entitlement when she opens up the dirty little secret of money and wealth. As seven members of a cookie exchange meet to play the lottery, they realize each has scars from the economic system and has been hit by the recession in different ways. But, of course, they win! The big one: \$125 million. A life changing amount. Their dreams have all come true. Or have they? Will anything ever again be as exciting? With the lottery win, healed fractures break open, bursting into rages. Character flaws are exposed; loyalties and moralities are tested. And, yes, new lives and dreams are realized. Wealth brings out strength, courage, and generosity in some, and selfishness, greed, conceit in others. Integrity is tested when they learn startling things—garnering dismay and admiration — about themselves as they finish another year together, frayed at the edges, but even closer as events make a full circle. As readers we are able to examine our own ethics about money and class, and, indeed, life itself, as we witness the cookie club friends facing both struggle and joy. How does this all end? Leave it to Pearlman to bring the story to a memorable conclusion, warming our hearts and breaking our hearts at the same time.

good read

By Amazon Customer

I have read all of the Christmas cookie club books and enjoyed every single one of them. Ann Pearlman is a really great author who knows how to tug at your heart strings and make you get lost in her books. The only

negative side of this book is the grammar errors for some it could be a distraction from truly enjoying the book which is why I gave it a four out of five rating. Definitely worth the read.

2 of 2 people found the following review helpful.

It is a winner!

By Barbara Tobey

Loved the factoids at the beginning of each chapter. I enjoyed reading about the diverse lives and attitudes of the various ladies. The ending was a surprise. I have not read the first two books in this series. I want to do so.

Wonderful book of women and friendship

By jennyfer davis

The women from the Christmas Cookie Club are back, and what happens when they pool their money and win the Lottery? Each one is tested in many ways and some show greed and selfishness, some show compassion and loyalty but for all their friendships are tested. There are interesting lottery facts at the beginning of each chapter. Will they be able to remain friends, how will it all end? Wonderful book of women and friendship.
