Beautiful work of art

By Tiffany S.

This was the first book by Ruth that I've read, and I love it. I am a big fan of angst and iiked this book because it is chock full of it, and I like that there's no "instant-love" in it. They actually have to work for their relationship. For those who don't like cliffhangers, you should know this has one. But fear not, there's two more books to go! Looking forward to starting the second book!

WORK of ART is just that - a LITERARY WORK of ART!

By JBS 3

Ruth Clampett does it again with the first installment of her Work of Art Series! Passion, Art, Food, - what more could you want from this insightful author who writes expertly about all three while unveiling and unraveling a seductive and mysterious story about a smart and capable young girl as she makes her mark in the LA, New York, and Global Art Scene. Improving on her writing formula for Animate Me, this story has cleverly placed Chapter Titles and intriguing thought provoking art related quotes as well as a Los Angeles Landmark Restaurant tour that only an LA Native like Ruth can dish out! I read this fantastic book in one sitting - could not put it down - and now I must patiently wait with bated breath for the next

installment!.....please, Ruth! don't make us wait too long!!!!

YES! Another winner by Ruth Clampett

By Debbie Prins

I give this book 4 and a half stars and the reason it isn't 5 stars is simple, I HATE cliff hanger endings. However it is just a couple of weeks until the second book in the series comes out, so it isn't that bad. Now to the good stuff, I loved the story, real characters in a believable storyline, but written in such a way that you fall in love with them. I nearly cried when it ended, as I wanted more, now, but I will certainly be reading the whole series. Ruth Clampett is a brilliant author and you should get this book now, however don't stop there, get "Mr. 365" and "Animate Me" as well and don't miss out on the "Shiver Anthology" where she has a short story, with some incredible other authors, like Daisy Prescott. Trust me you will thank me.
