Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Good author, great price

By Craig Naset

I like the style of writing and the subject matter. I'm going to read his other book

Great book

By Molly Zdunczyk

I love books about early New York and the stories of the immigrants. This book talks about a young Jewish man and how he's adjusting to America.It tells his story,and how he survives. Very good book.
